Dear Mr. McManus:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of a previous report (pertinent portion(s) attached) disclosed a contribution(s) which appears to exceed the limits set forth in the Act. The Act precludes a political committee which is established and maintained by a national political party and any affiliated committees from accepting contributions in excess of \$20,000 in a calendar year from a person or political committee which is not a multicandidate committee. 2 U.S.C. §441a(f)

The Commission notes your refund of the excessive contribution(s). Although the Commission may take further legal steps concerning the acceptance of an excessive contribution(s), your prompt action in refunding the contribution(s) will be taken into consideration.

All shared administrative and generic voter drive costs incurred during the two-year cycle must be allocated according to this ratio, unless the federal account elects to pay a higher percentage of its cost. 11 CFR §106.5(b)(2), (d)(1), (d)(2) and 11 CFR §5104.10(b)(1)(i)(B) and 106.6(c)
